STRENGTHS

-  **Effective Interpersonal Skills**
I believe in fostering an environment of collaboration and inclusivity through open-minded and charismatic interactions with people from diverse backgrounds.
-  **Cross-Cultural Communication**
I am comfortable communicating in English, allowing me to connect with colleagues and clients worldwide, and demonstrate adaptability in various cultural contexts.
-  **Positive Outlook**
I approach tasks with enthusiasm and a positive mindset, aiming to uplift the team's spirit and contribute to enhanced productivity.
-  **Adaptability and Teamwork**
I recognize the importance of being flexible in evolving situations and prioritizing collaboration. I am committed to learning and growing in dynamic work environments, where I can contribute to the team's success through adaptability and a cooperative approach.

Managment

SUMMARY

Dedicated Information Systems and Cybersecurity professional with a multicultural background, educated in Dubai and holding A Levels from The Westminster School. Fluent in English and Urdu, I excel in cross-cultural communication and foster collaboration through open-minded interactions. My positive outlook, adaptability, and technical skills from experiences as a ticket checker and computer technician contribute to team success. Rooted in Pakistani heritage while growing up in Dubai, I bring a unique international perspective to every endeavor or thats what i think so...
